Killing Magic

Will Middleton

I am on the inside

Screaming

AND BLEEDING

begging for you to see me.

YOU
FUCKING
LEFT

YOU
ABANDONED
ME

HATE YOU

WHY

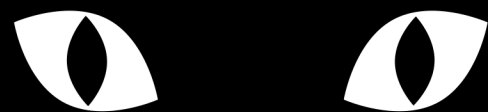

DID YOU LEAVE?

now i'm alone

what am i going to do now

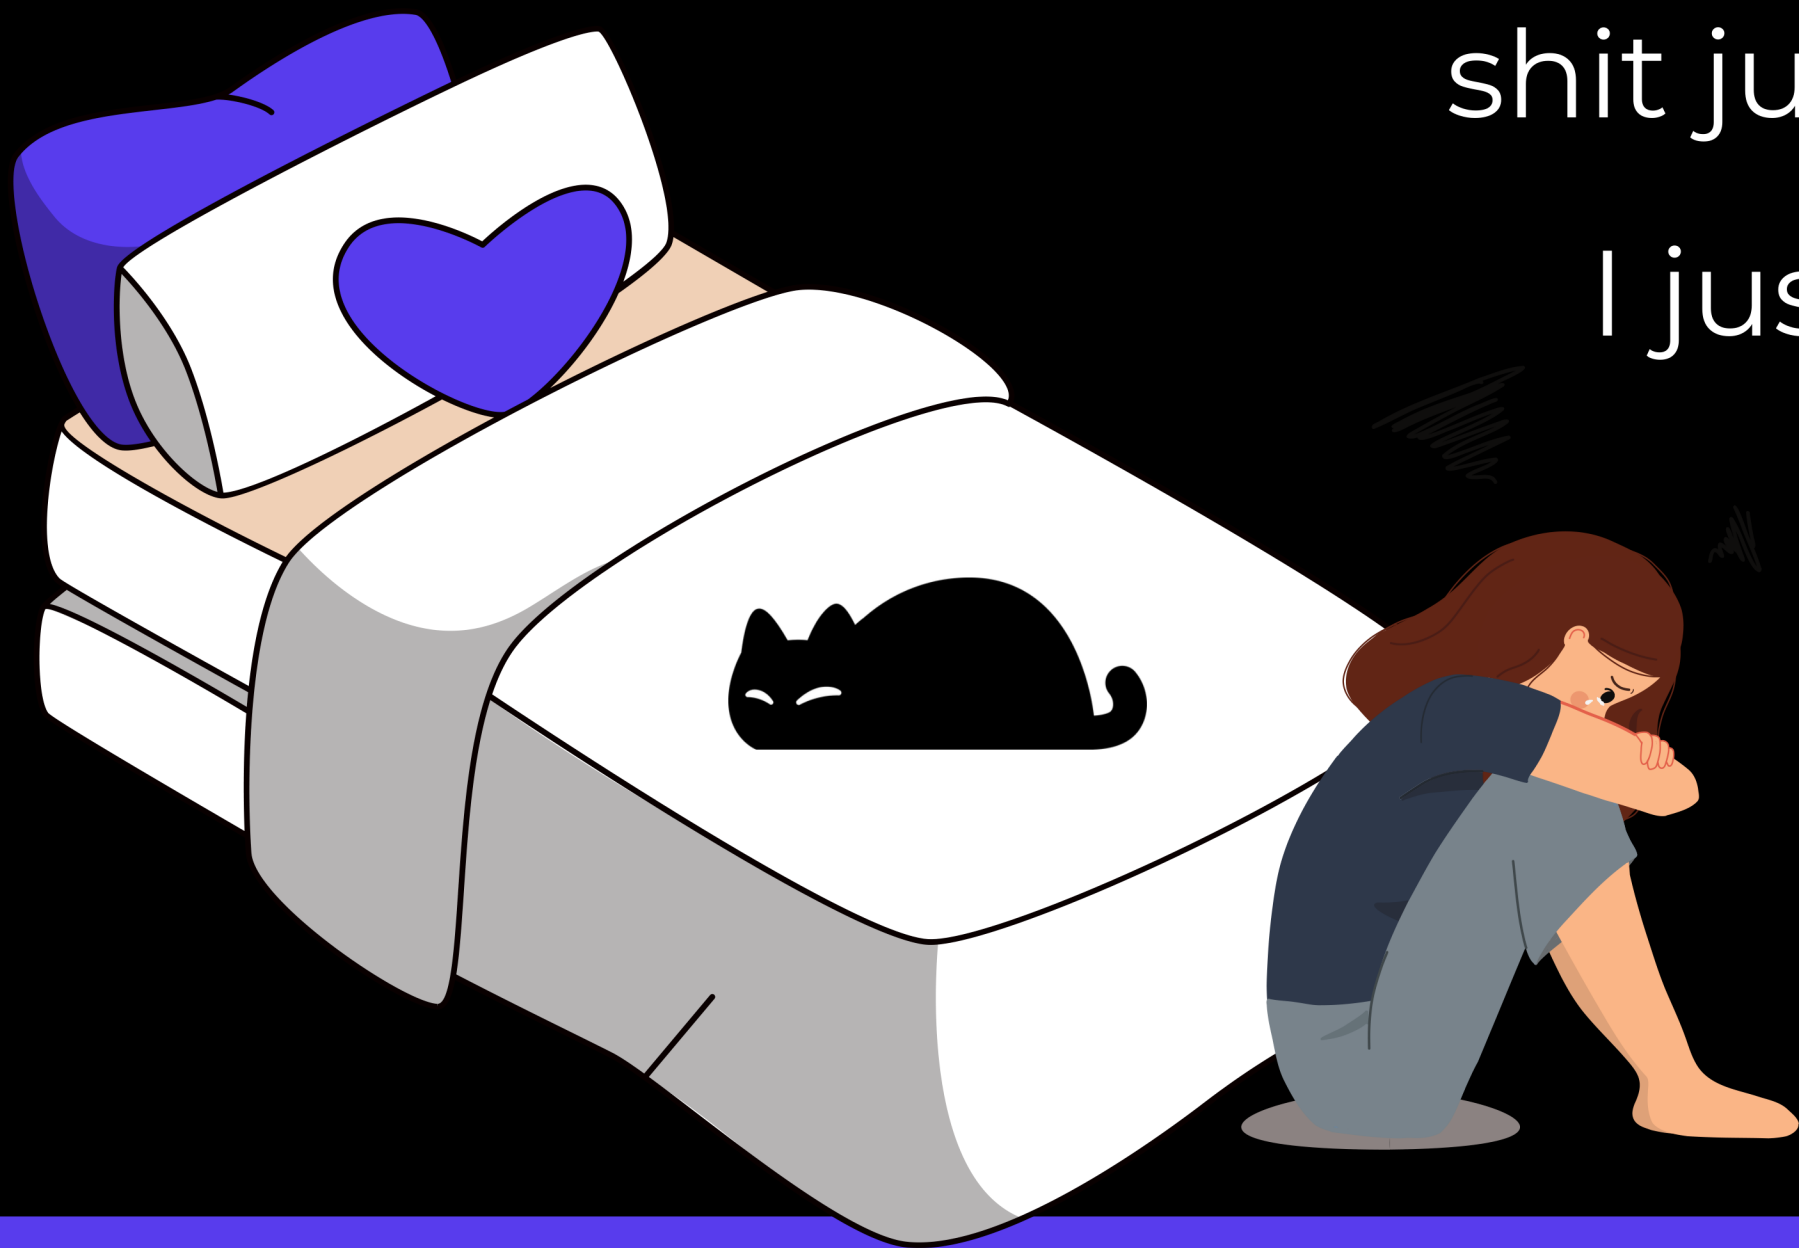

I can't break even
on my feelings

shit just feels hard like all the time.

I just feel like I live in a void now.

The times in life when I feel
like I might never win.

maybe I am
meant to sleep alone
tonight

that fucking hurts

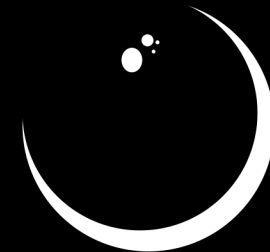

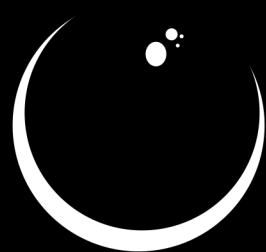

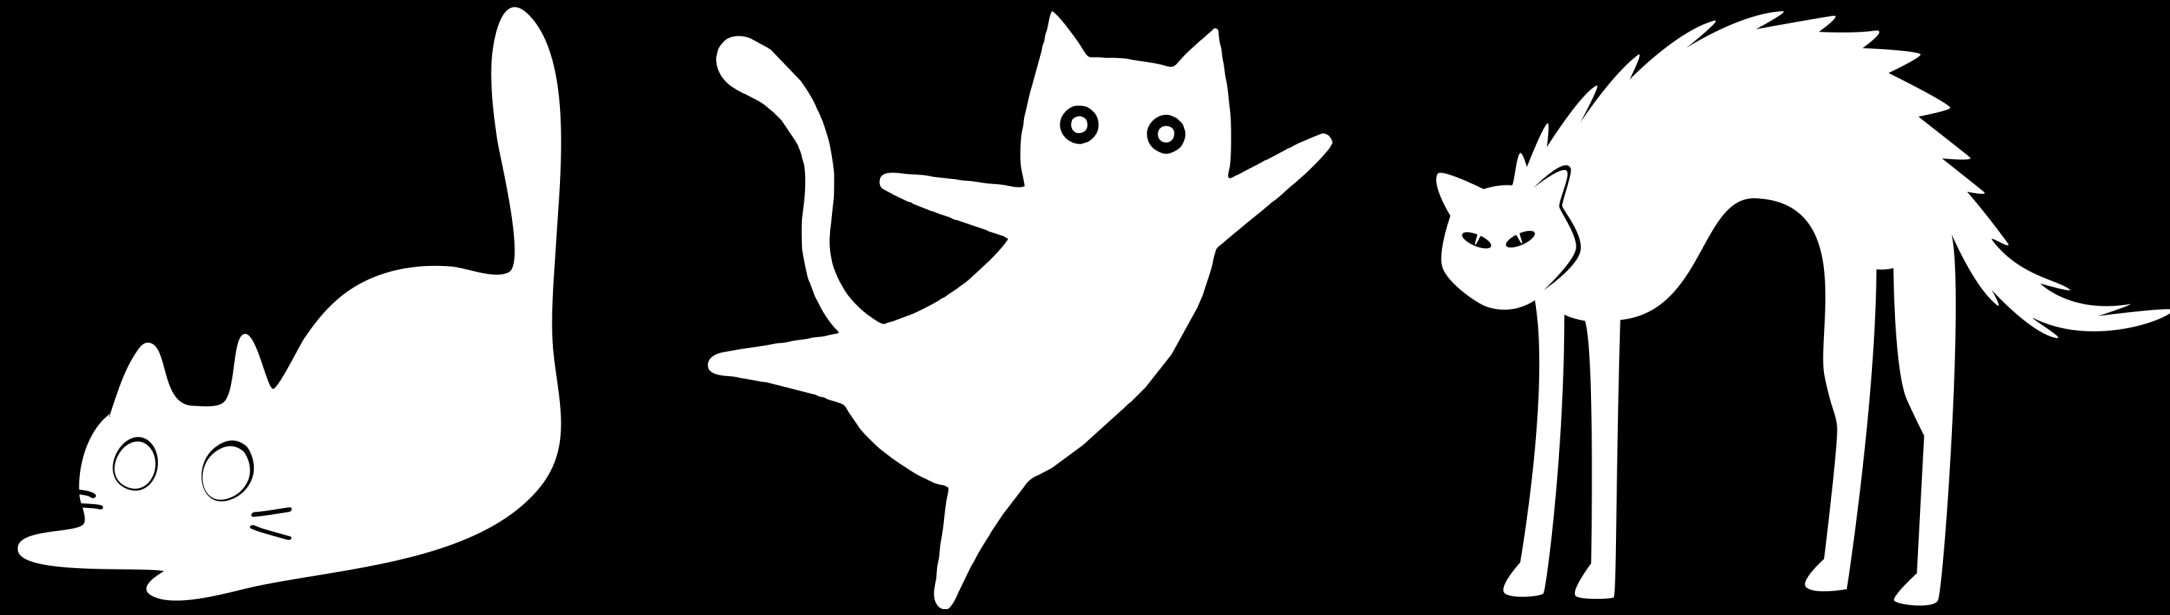

**"what's your
relationship with
the divine
feminine?"**

what kind of fucking
question is that?

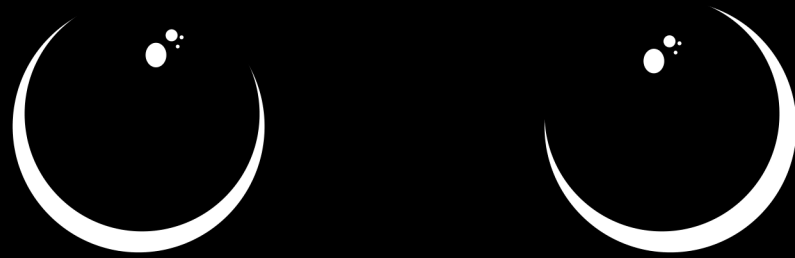

Don't you want to know
what it feels like to be
free from all that
depression and shit?

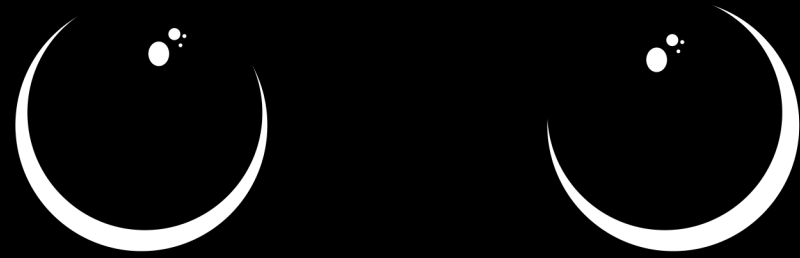

of course I do. I work my
ass off at that.

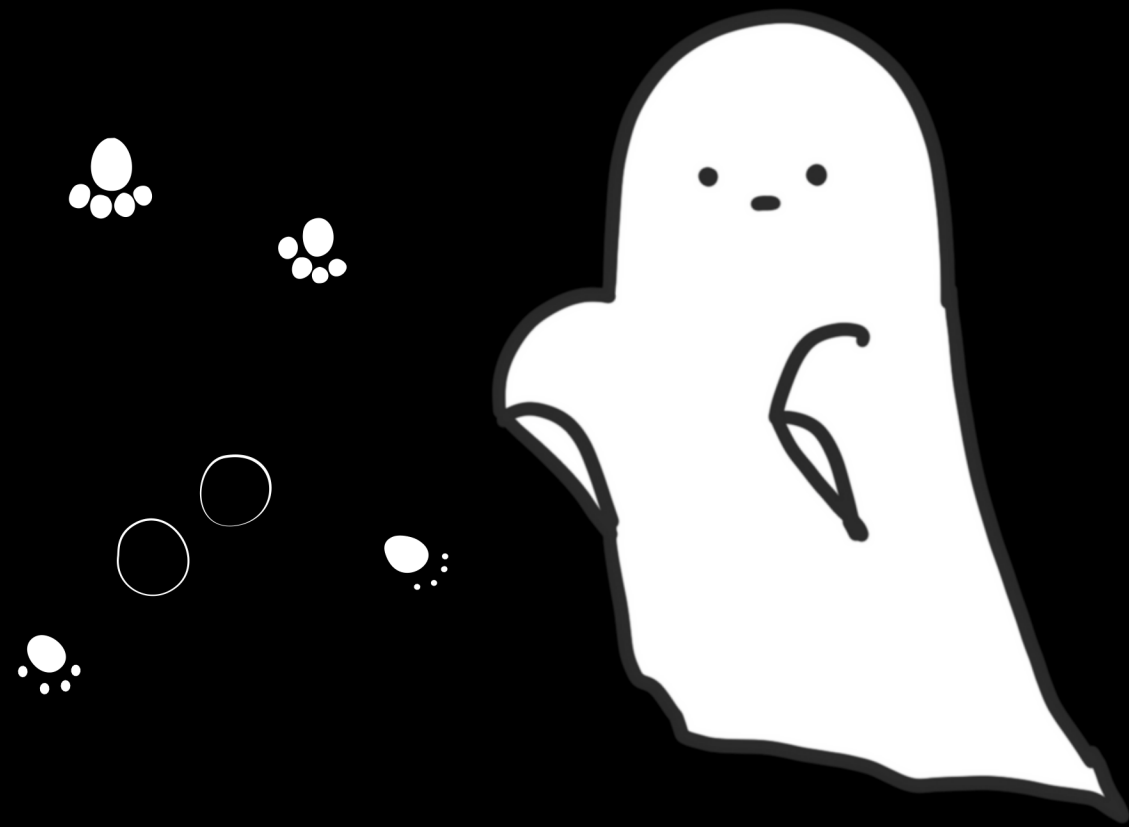

your
shadow
can find
you  
anywhere.

and it does

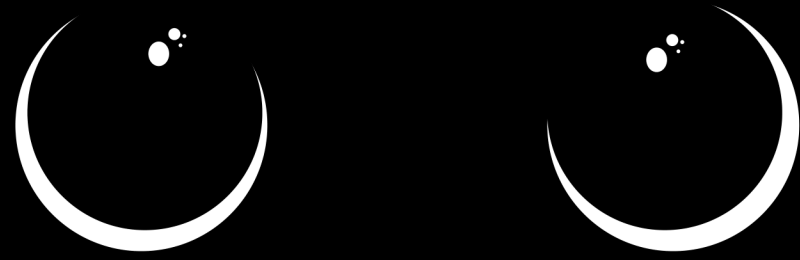

**YOU'RE JUST
NOT LOOKING
AT IT CLEARLY.**

you take shit for granted and
you don't even know why

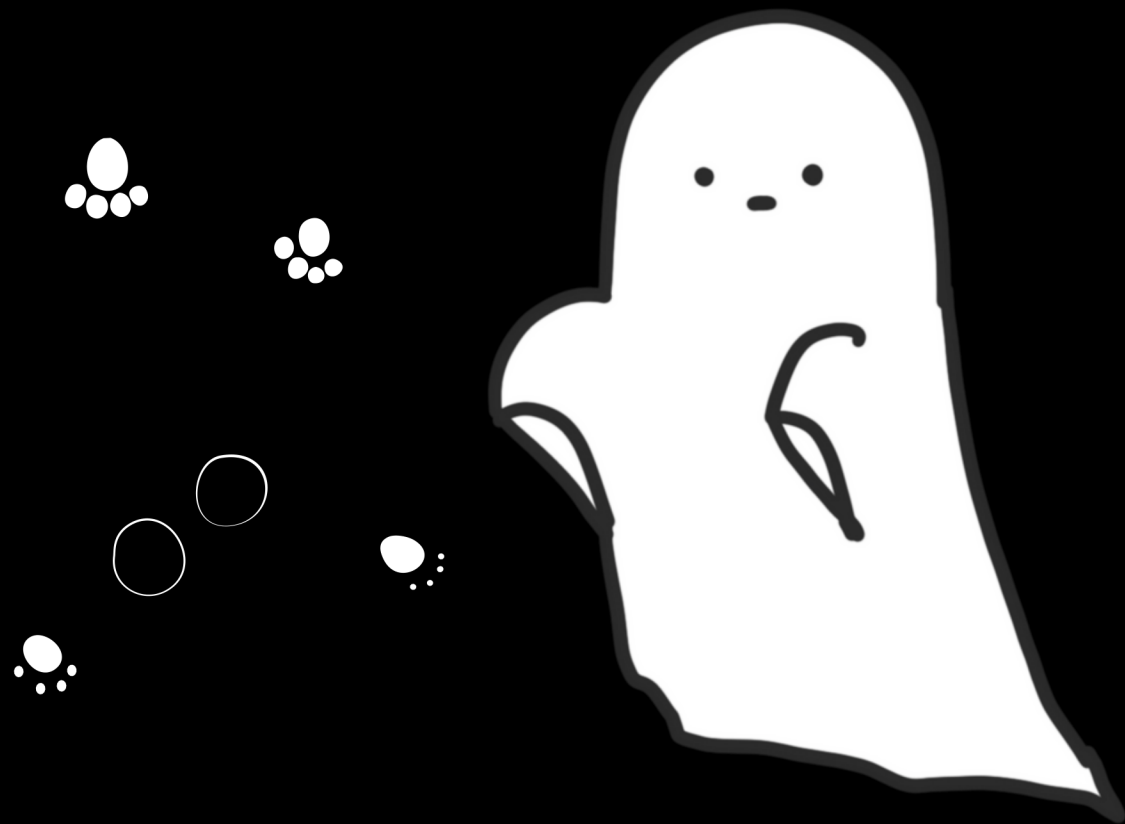

IF YOU close

YOUR eyes

YOU CAN

see IT.

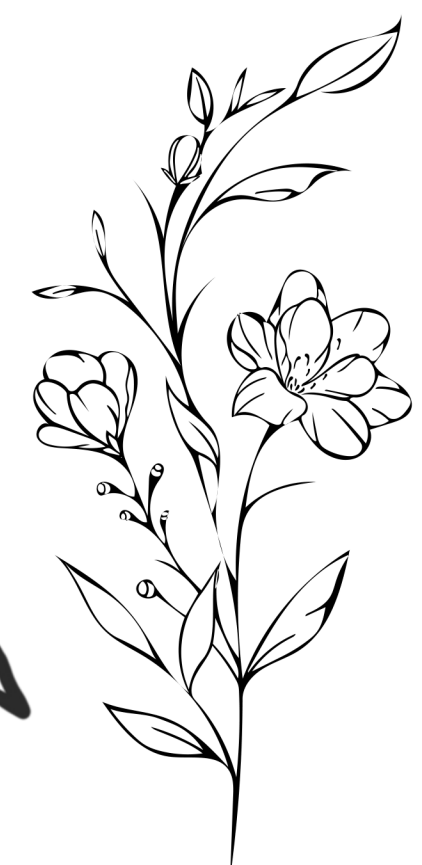

IF YOU close

YOUR eyes

YOU CAN

see IT.

EVERYTHING

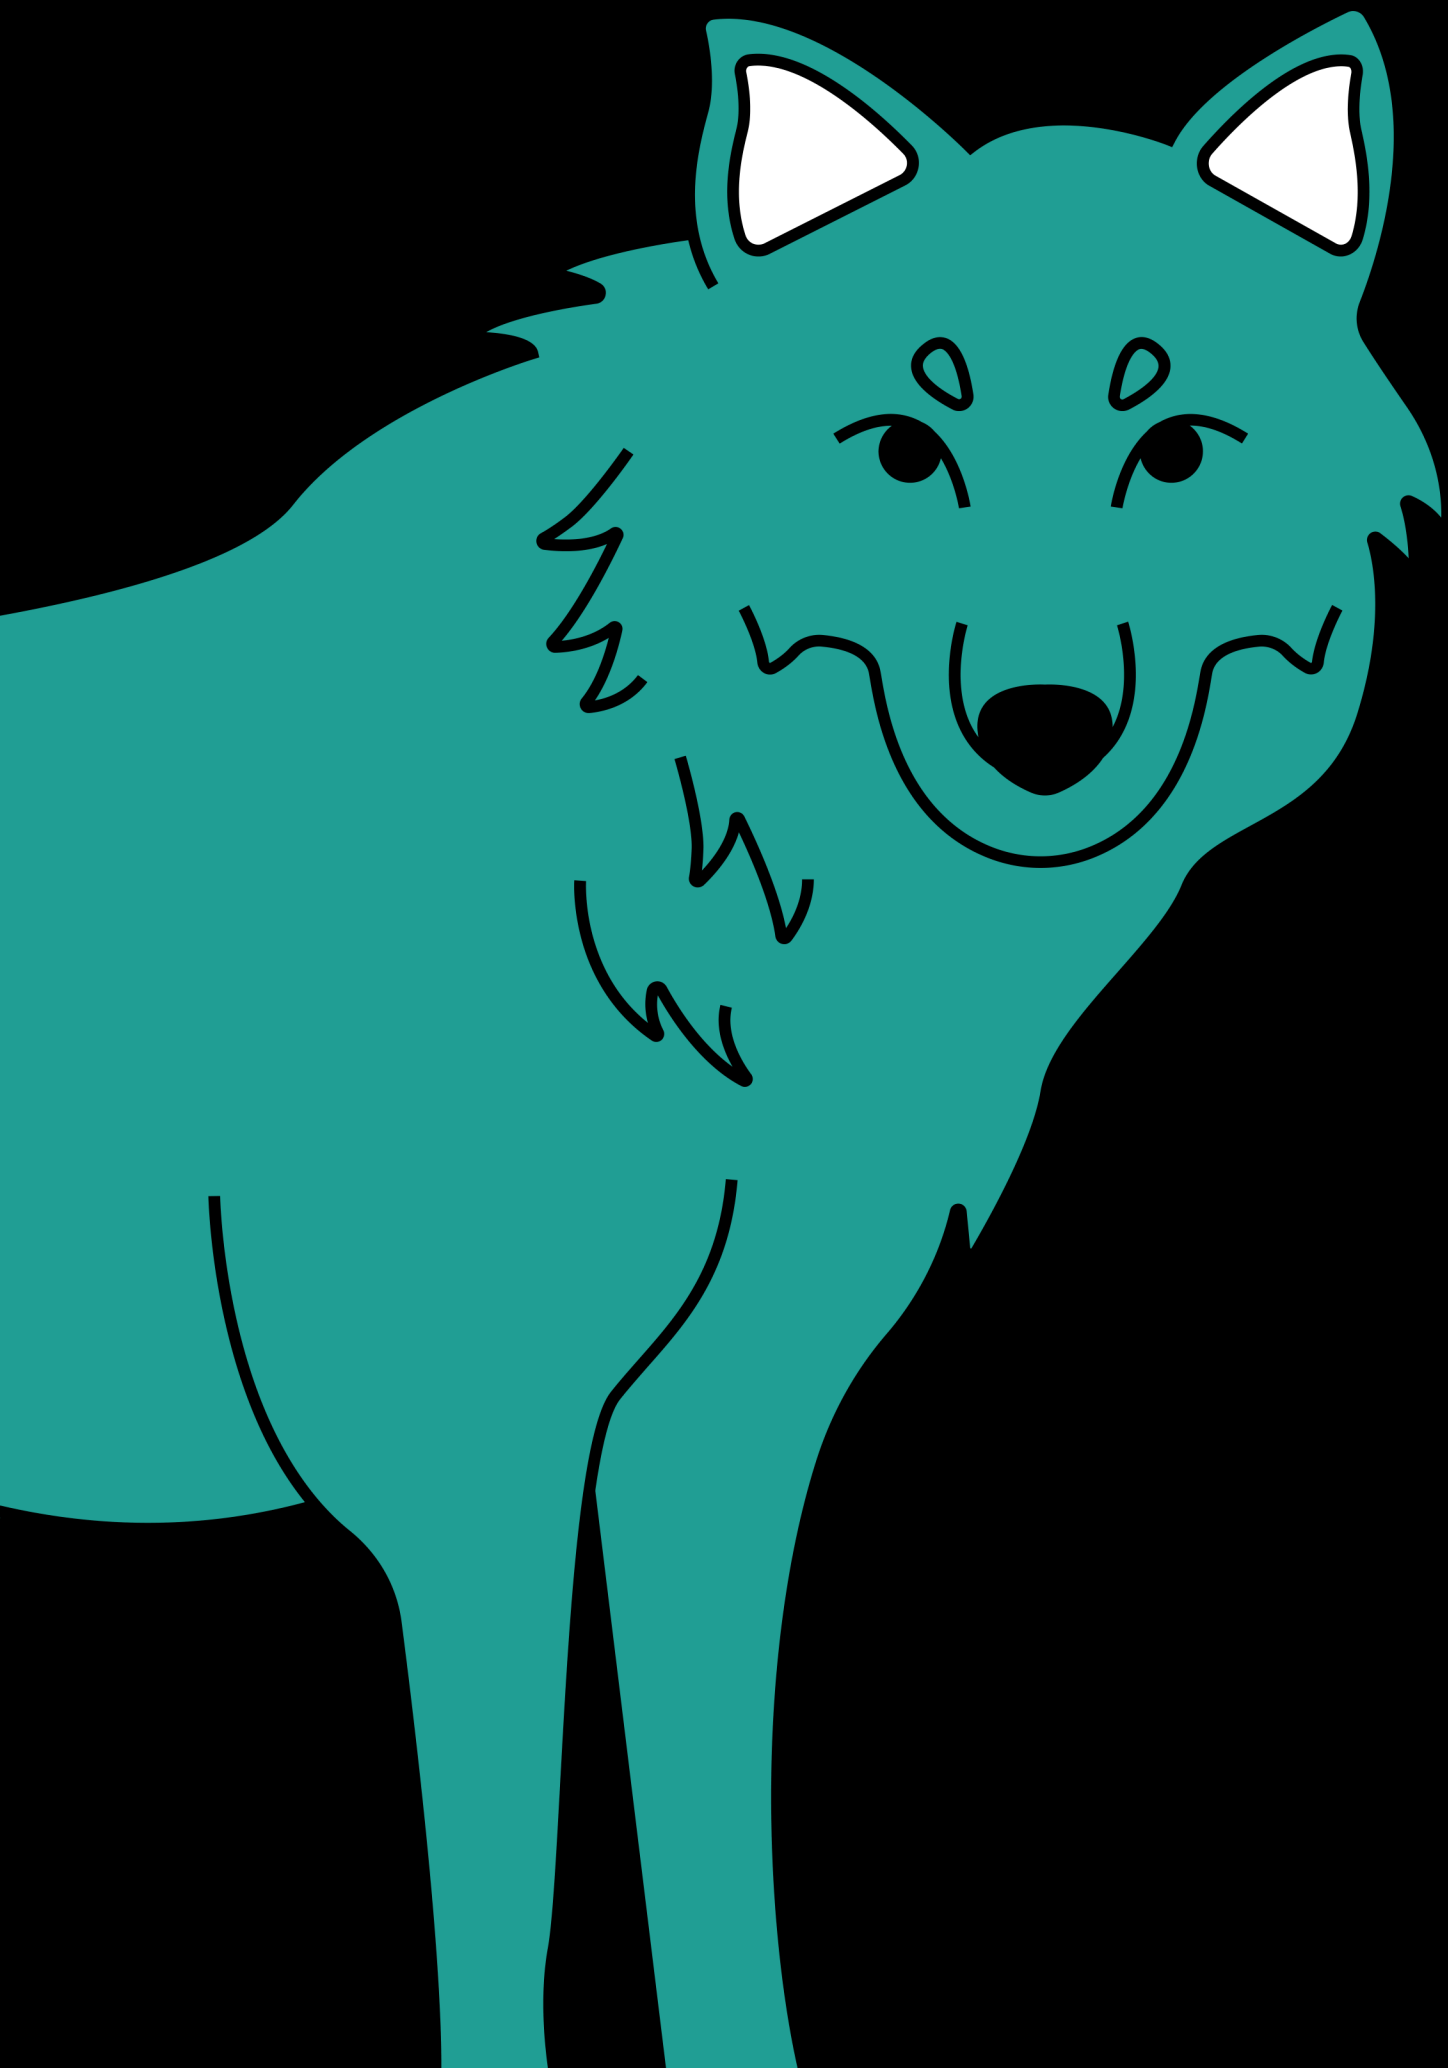

YOU WANTED

IS ALREADY

Here

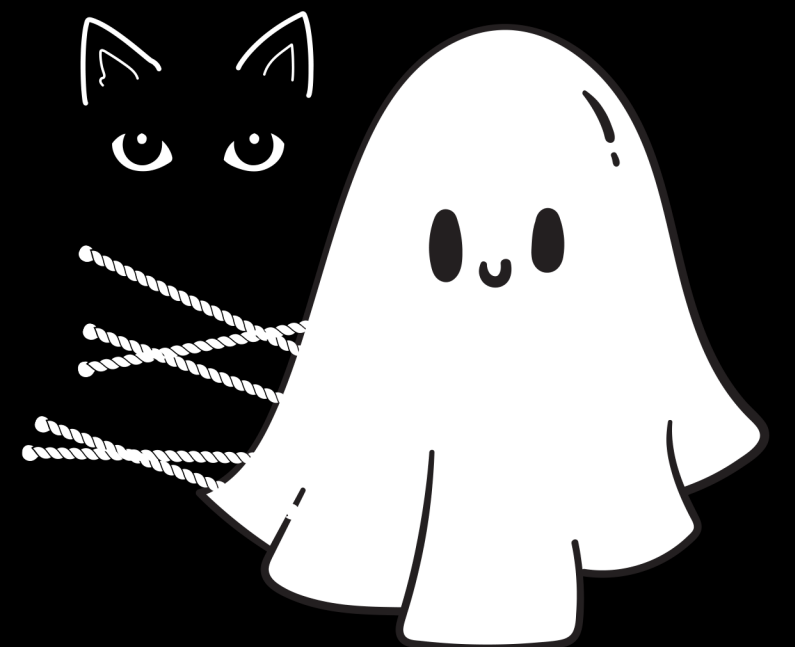

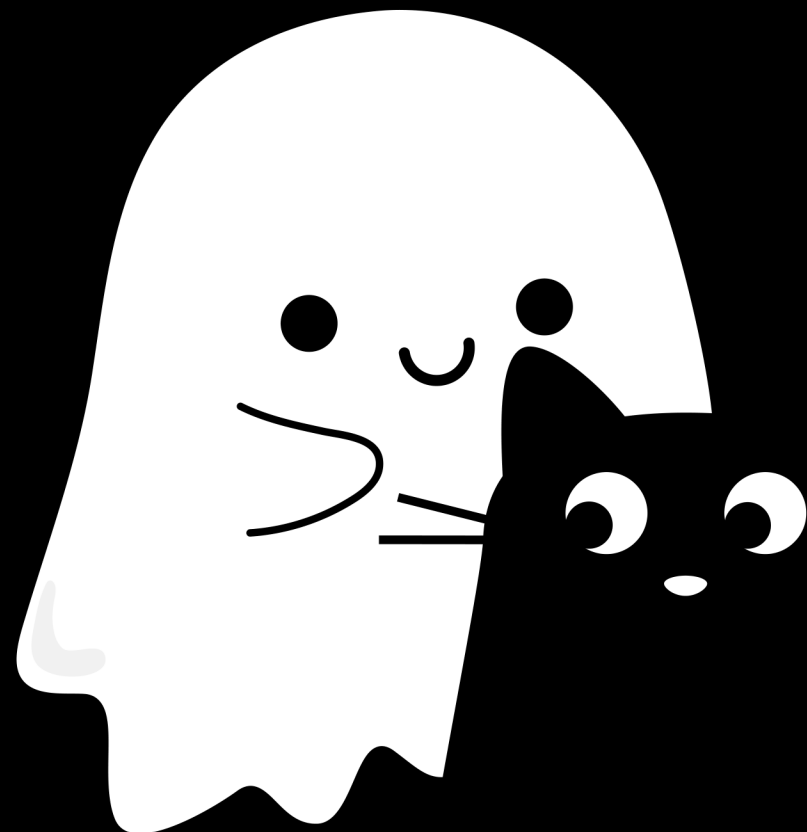

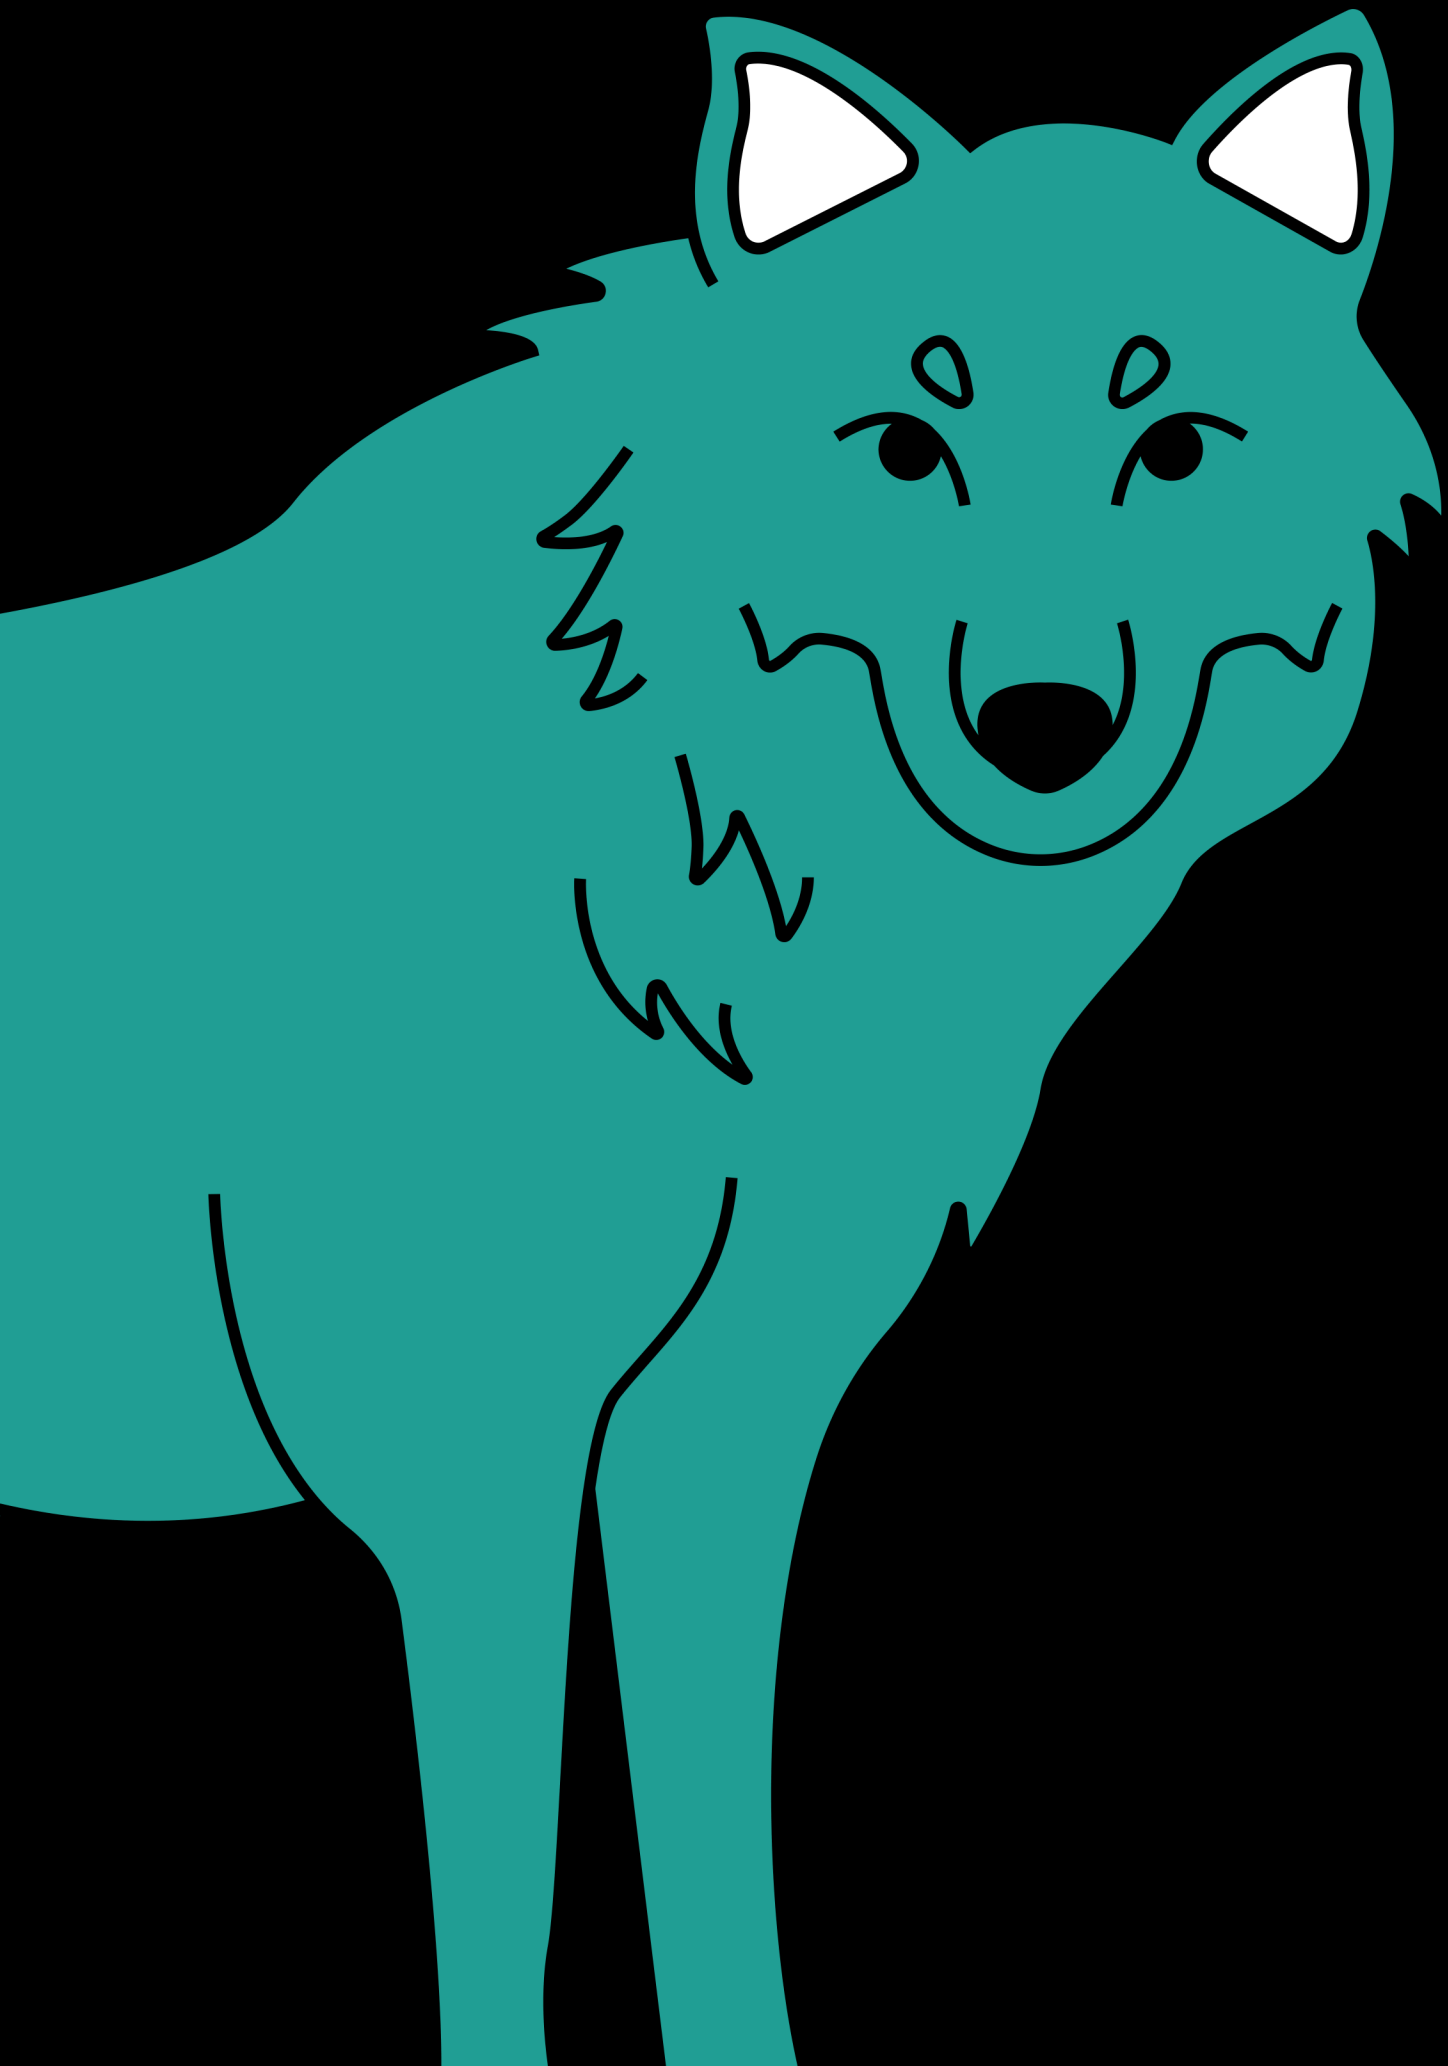

we always get
what we want.

THE SHADOW KNOWS YOU.
AND SHE LOVES YOU.
AND SHE WANTS TO TIE YOU UP
AND KEEP YOU SAFE.

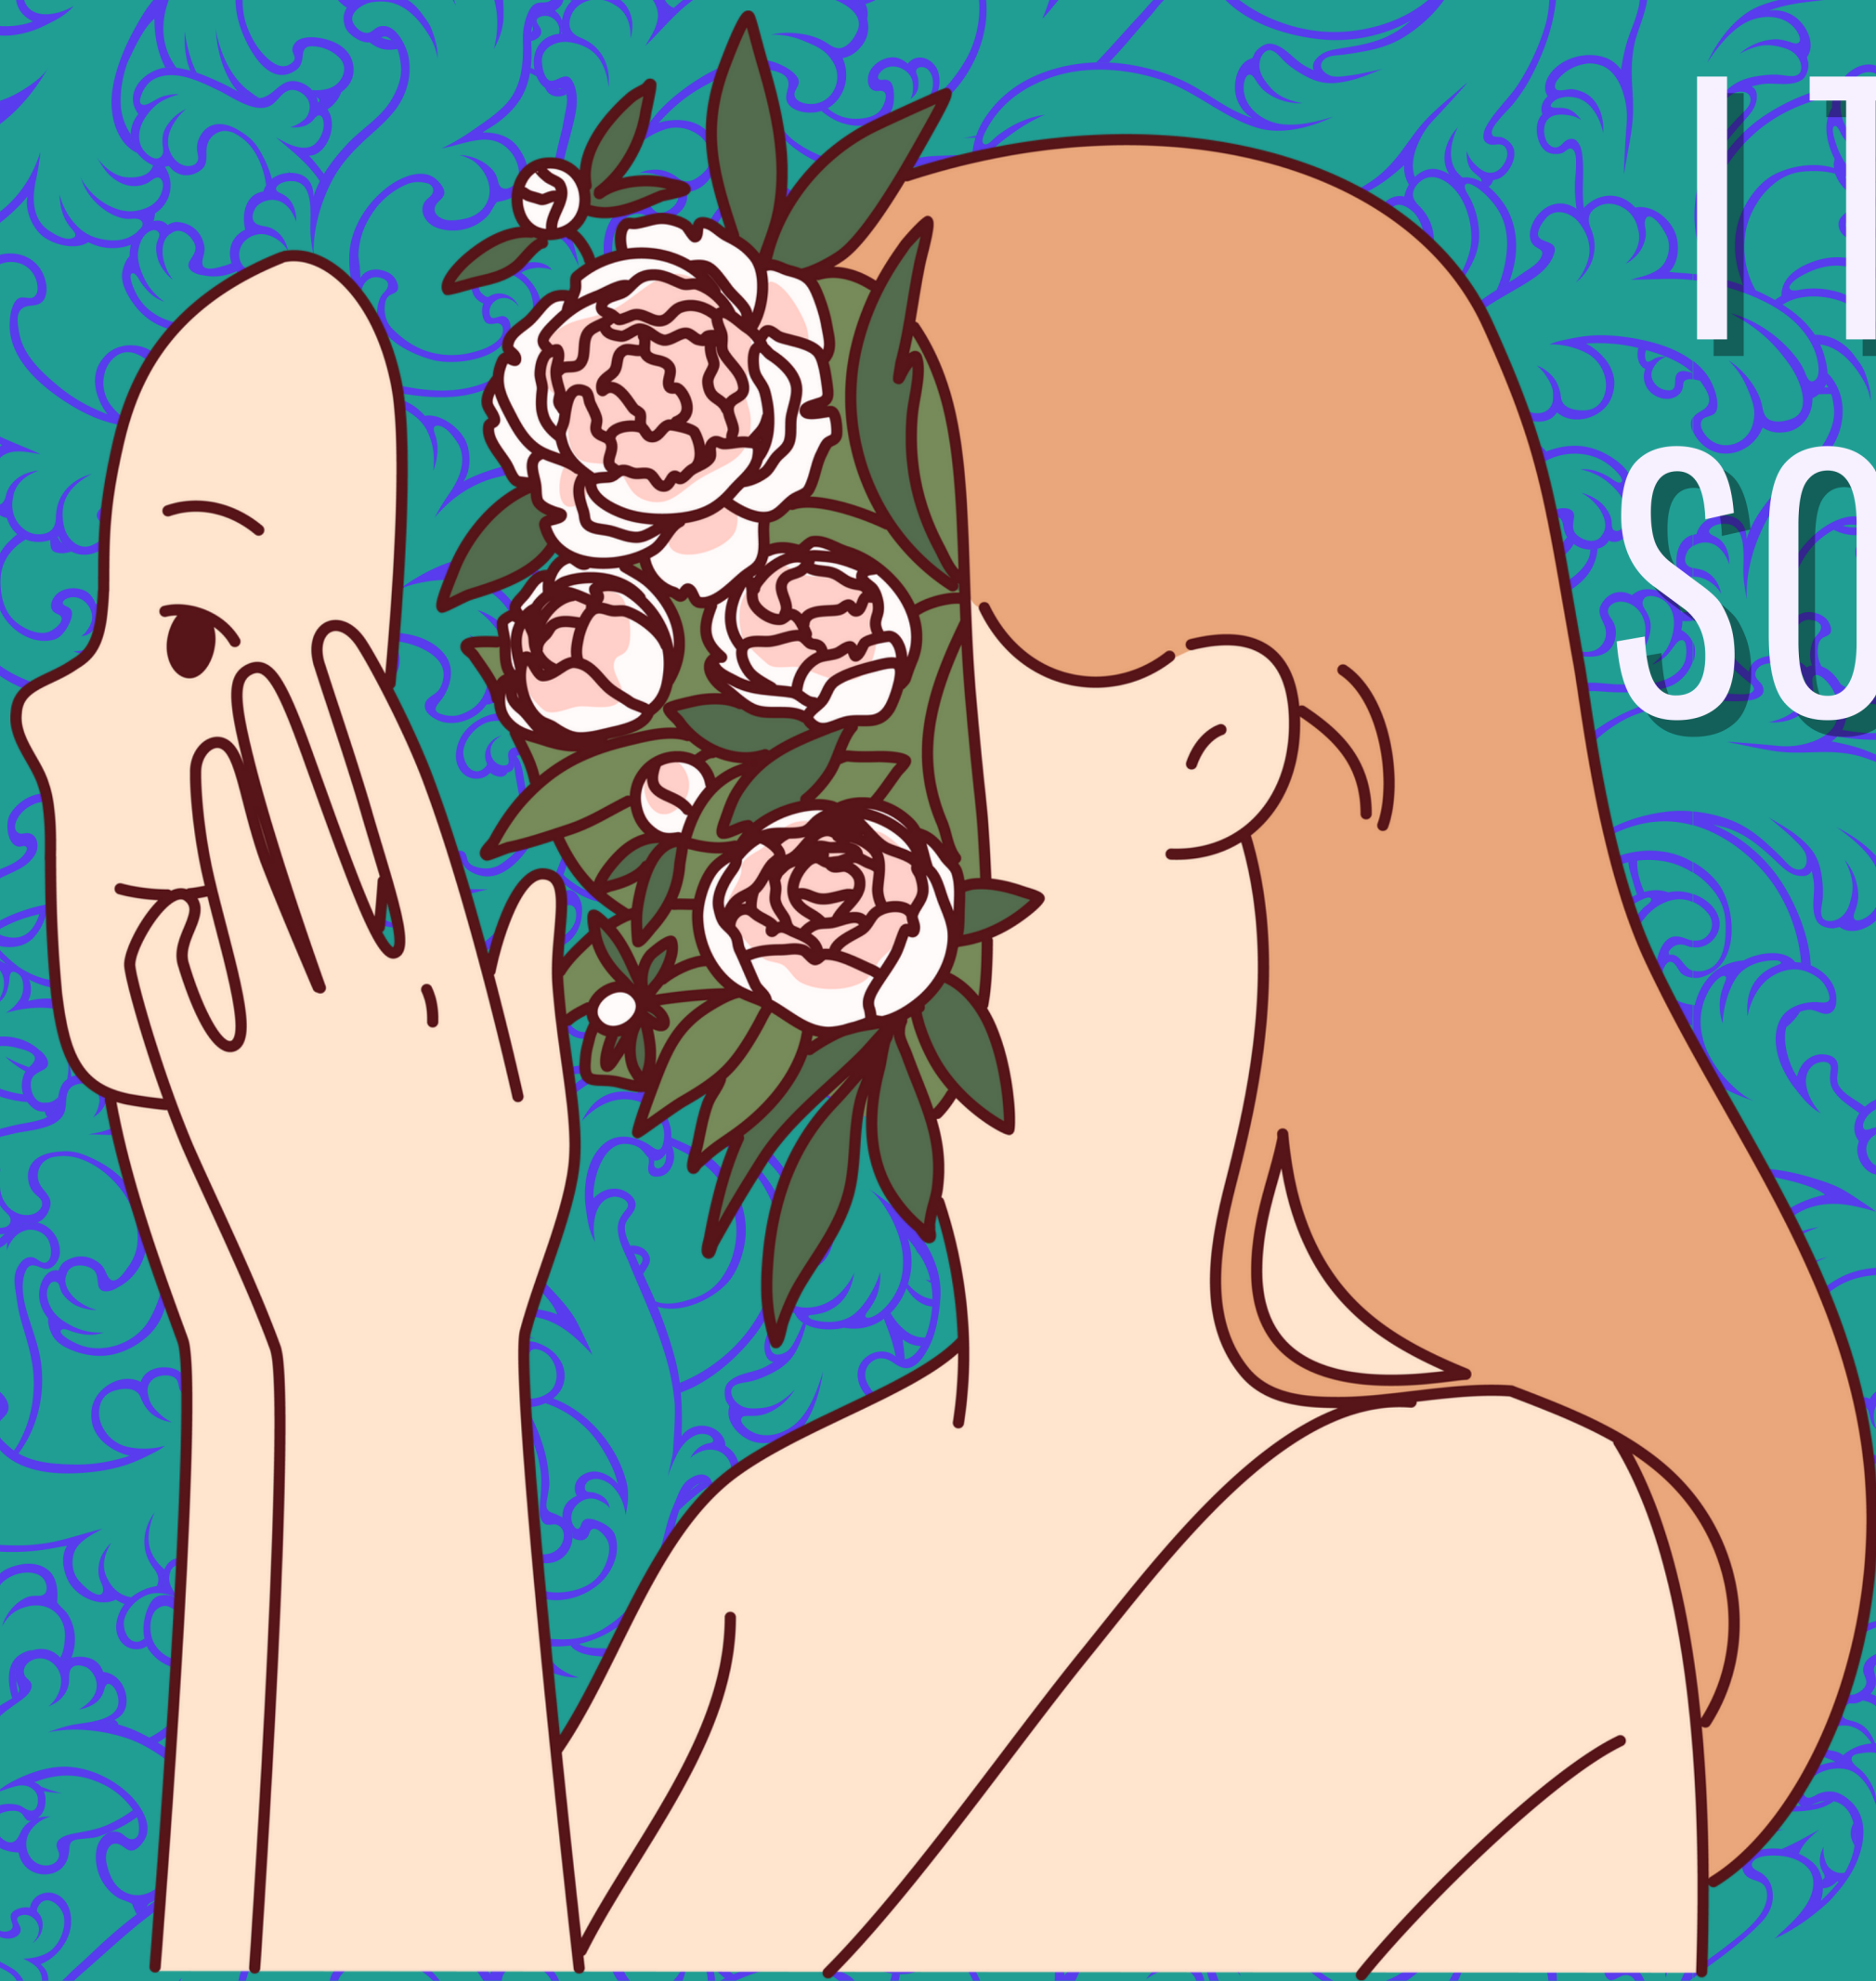

AND YOU KNOW THAT
YOU WANT THAT TOO

YOU'RE
IN THAT
CAGE KID.

I THINK THERE'S
SOMETHING YOU
NEED TO FIND
IN YOURSELF

IT'S NOT YOUR
IDENTITY. IT'S
SOMETHING
BIGGER.

**MAYBe one DAY,
YOU'LL CLose YOUR
eYEs FOR LONG
enOUGH YOU MIGHT
see IT.**
